

Emergency Notification System Update

The City of Atlantis is proud to announce that we are implementing a new Emergency Contact software system as of July 1st 2015 which will enable emergency and other various city alerts to be sent via text, email and phone. The new service will be available to all residents and will require you to sign up. There will also be a website where contact information can be added or edited.

Please supply your information for the new database on this form to be returned to the Police Department or sent by mail or fax to 561-968-9443 or by email to mlegal@atlantisfl.gov

We appreciate your cooperation and look forward to serving the community with this new updated service.
